

MITCHELL EXPRESSWAY RESURFACING PROJECT

2019 CONSTRUCTION INFORMATION

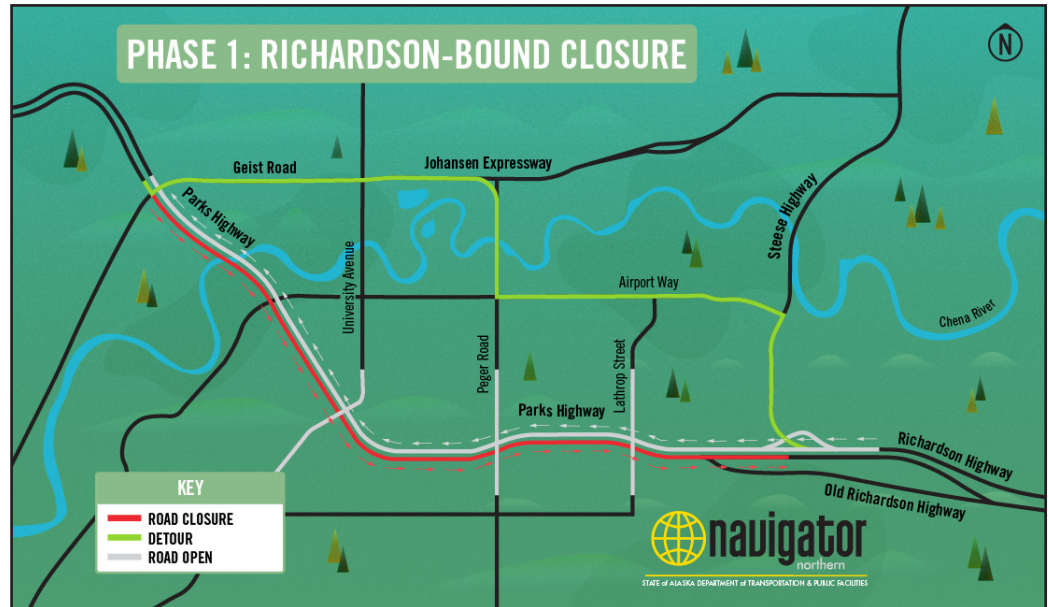

The Alaska Department of Transportation & Public Facilities, in partnership with HC Contractors, will be resurfacing the Mitchell Expressway and completing bridge work between Geist Road and the Richardson Highway.

Traffic details:

- Starting Monday, May 20, the Richardson-bound lanes of the Mitchell Expressway will be closed at Geist Road.
- Traffic coming from the Ester direction will need to exit at Geist Road and take the Johansen Expressway as a detour route.
- The closure is expected last about one month.
- Traffic will be able to cross the Mitchell Expressway at University Avenue, Peger Road, and Lathrop Street.
- After this closure is complete, the Parks-bound lanes will be closed for about one month. Another notification will be sent when that closure is scheduled.

Construction details:

- The Mitchell Expressway will be resurfaced from just north of the Geist Road interchange to the Richardson Highway, including the ramps at the Richardson interchange.
- All bridges within the project boundaries will receive minor repairs and maintenance including application of waterproofing membranes, joint repair, and bridge rail upgrades.
- All existing lighting will be replaced with new LED light fixtures.
