NOTICE TO PUBLIC

HC Contractors will begin paving South Bound to Parks Highway on the Mitchell Expressway

July 2nd, 2019

Hours of Paving will be:

7pm – 7am Monday through Friday

7pm – 10am Saturday/Sunday

Intersections will be closed to through traffic:

Lathrop Street & Mitchell **July 2nd, 3rd, 9th & 10th**

Peger Rd. & Mitchell **July 4th & (*partially) 6th**

University Ave. & Mitchell **July 5th, (*partially) 6th, 8th & 9th**

*Peger will be closed first then University will be closed. They will not be closed at the same time.

The schedule above is all depending on perfect conditions. We will strive to maintain this schedule. There will be message boards to provide further and up to date information. We thank you for your patience during construction. If major changes in the above dates occur a corrected public notice will be provided.

There will be various types of heavy equipment, haul trucks, utility work, concrete and asphalt removal and replacing operations. Ground vibrations may be experienced. Due to the nature of the equipment being used, vibrations may periodically be felt in the ground near the work zones. Be aware that these vibrations will not cause structural damage to existing residences or businesses, but may not be suitable for unstable or detached items in buildings. It is advised to secure any fragile or loose items from areas in buildings near the work.

Personnel will be in the area during construction operations in order to ensure safety. Access for Emergency services and pedestrians will be continuously maintained to the best of our abilities. Please use extreme caution when approaching. (if hot pavement has just been applied an alternate route might be necessary.)

HC Contractors thanks you for your patience during this construction season. If you have any questions please contact HC Contractors at (907)488-5983.
